December 3, 2010

The Quincy Human Rights Commission invites you to join us for a Human Relations seminar to be held on Tuesday, December 14, at 6:30 p.m. at the Senior Center. We will be working that evening with Kenith Bergeron, Senior Conciliation Specialist with the Community Relations Service of the U.S. Department of Justice office in Chicago. He will bring vast experience from decades of addressing racial tensions in various communities across the Midwest, and we will discuss specific ways that our commission and other public servants can go about improving human relations in our area.

Please contact Theresa Alford at 228-4527 and let her know if you will be able to attend, so that we can prepare for the correct number of participants.

Thank you for your attention. We hope to see you on December 14.

Sincerely,

Susan Goodwin  
Chair, Quincy Human Rights Commission
