Re: Addition to the Comcast Channel Line-up

Dear Mayor Spring:

As part of Comcast's continuing effort to keep you informed of changes impacting our customers in your community, I wanted to provide you with information regarding an addition to the Comcast channel line-up in your community.

Beginning December 18, 2012, *Comcast SportsNet Chicago Plus* will be made available on channel 102 as part of Digital Starter. *Comcast SportsNet Chicago Plus* will carry professional Chicago sporting events when *Comcast SportsNet Chicago* is unable to accommodate multiple sporting events. *Plus* games may air several times a month depending on game schedules. When *Plus* games are not being aired on channel 102, the regular feed of *Comcast SportsNet Chicago* will be shown. *Comcast SportsNet Chicago Plus* programming will no longer be available on channel 74.

Customers will be notified of these changes via messaging on their bills. Please feel free to contact me if you have any questions or would like additional information. I can be reached at (217) 527-2905.

Sincerely,

A handwritten signature in black ink that reads "Libbie Stehn Tumulty". The signature is written in a cursive, flowing style.
