FROM: Jim MURPHY, INTERIM DIRECTOR OF PURCHASING  
SUBJECT: RFP FOR RESIDENTIAL ROLL-OUT TRASH CARTS  
DATE: August 13, 2014

---

The City of Quincy would like all registered vendors for the Request for Proposal regarding the purchase of 1,000 Residential roll-out trash Carts to include the following cost in their proposal.

1. Cost of Carts (including production, delivery and assembled)
2. Cost of Carts (including production & delivery to the City – no assembly)
3. Cost of Carts (including production, delivery, assembled and delivered to home owner)

The preference of the City of Quincy would be to have the carts assembled by the manufacturer at the plant or upon delivery. The City would also will to have the manufacturer provide a cost to have the carts delivered to the home owner. The option to accept the delivery of the trash carts to the home owner will depend on cost.

Each manufacturer must provide a cost for at least option 1 & option 2 with their proposal.
