Quincy, IL 62301

RE: Change to the Comcast channel line-up in your community

Dear Mayor Spring:

In Comcast's continuing effort to keep you updated and informed of changes taking place, I wanted to take this opportunity to provide you with information regarding changes to the Comcast channel line-up in your community.

Beginning November 29, 2012, *C-SPAN3* will be made available on channel 447 as part of the Digital Starter package. The programming on *C-SPAN3* from Monday to Friday features uninterrupted live public affairs events, in particular, political events from Washington. Each weekend the network airs 48 hours of programming dedicated to the history of the United States, branded as *American History TV*. The programming covers the history of the United States from the founding of the nation through to the late 20th century. Customers who subscribe to the Digital Starter package will be able to view this channel.

Starting December 18, 2012, *OWN (Oprah Winfrey Network)*, which is found on channel 224, will be changed from the Digital Preferred package to the Digital Starter package. *OWN* will continue to be available to those customers subscribing to the Digital Preferred package, and with this change will also become available to customers subscribing to the Digital Starter tier of service. The channel position for *OWN* (224) will not change as a result of this move to the Digital Starter tier of service.

Customers will be notified in advance of these changes. Please feel free to contact me if you have any questions or would like additional information; I can be reached at (217) 527-2905.

Sincerely,

A handwritten signature in black ink that reads "Libbie Stehn Tumulty". The signature is written in a cursive, flowing style.

Libbie Stehn Tumulty
Government Affairs Manager
