## CAPE AIR IMPROVES WEEKDAY SCHEDULE

*Quincy travelers now have more convenient departure options.*

Cape Air's St. Louis route map as of October, 2012

**For Immediate Release-October 17, 2012**-Quincy travelers now have improved departure times during the week. Cape Air's newly re-timed schedule, effective October 15, 2012 now offers both 6:00 a.m. and 8:00 a.m. departure options Monday through Friday, providing passengers with enhanced connectivity in St. Louis by offering two opportunities to connect with morning flights departing Lambert. Early morning connectivity is especially important to business travelers, who often must arrive at their final destination by mid to late morning. In addition to the two early morning flights, Cape Air also offers a late morning flight, as well as three afternoon flights.

"We constantly strive to improve the service we provide," said Andrew Bonney, Vice President of Planning at Cape Air. "Re-timing the schedule has allowed us to better serve the business community by enhancing connection opportunities at Lambert."

The new schedule is already faring well with passengers. October advance bookings are up 44% compared to October of 2011, while November and December advance bookings are up 39% and 29%, respectively, compared to 2011.

"Convenient, reliable and safe, that's Cape Air! I am so grateful for the wonderful partnership and excellent teamwork we have with the folks at Cape Air," said Quincy Mayor John Spring. "Just yesterday I spoke to a local banker who uses Cape Air out of Quincy to St. Louis on a monthly basis. He said it's a terrific and friendly service."

Tickets can be purchased by visiting [www.capeair.com](http://www.capeair.com), by calling 1-800-Cape-Air, by visiting Cape Air's city ticket office at 727 Hampshire in Quincy or by calling your local travel agent.
