**Re: Relocation of *Fox Business* from Digital Preferred to Digital Starter on the Comcast Channel Line-up**

Dear Mayor Spring:

As part of Comcast's continuing effort to keep you informed of changes impacting our customers in your community, I wanted to provide you with information regarding the relocation of *Fox Business* from the Digital Preferred package to the Digital Starter package.

Beginning May 14, 2013, *Fox Business* and *Fox Business HD* will be included in the Digital Starter package. The dial positions for *Fox Business* and *Fox Business HD* will not change as a result of this relocation. *Fox Business* will continue to be available on channel 410 and *Fox Business HD* will continue to be available on channel 623.

Customers subscribing to a level of service containing the Digital Starter package will be able to view these channels and will be notified in advance of this addition. Customers subscribing to the Digital Preferred package will continue to be able to view these channels as Digital Starter is a component of the Digital Preferred package. Customers subscribing to the MultiLatino Ultra package will no longer be able to view these channels.

Please feel free to contact me if you have any questions or would like additional information. I can be reached at (224) 229-3214.

Sincerely,
