RE: Change to Channels on the Comcast Channel Line-up

Dear Mayor Spring:

As part of Comcast's continuing effort to keep you informed of changes impacting our customers, I wanted to provide you with information regarding a change in the Comcast channel line-up in your community.

Beginning on June 13, 2013, Comcast Sportsnet Plus programming will no longer be shown on display channel 70. Comcast Sportsnet Plus programming will continue to be available as part of the Digital Starter package on channel 102. Comcast customers subscribing to a package that includes Digital Starter and who utilize a digital converter (DTA or DCT) or a Cable Card will be able to view this channel.

Customers will be notified in advance of this change. Please feel free to contact me if you have any questions or would like additional information. I can be reached at (224) 229-3214.

Sincerely,

Libbie Stehn Tumulty  
Government Affairs Manager
