RE: Relocation of *Speed Channel* to the Digital Starter Package

Dear Mayor Spring:

In Comcast's continuing effort to keep you updated and informed of changes taking place, I wanted to take this opportunity to provide you with information regarding a change to the Comcast channel line-up in your community.

Beginning June 19, 2013, *Speed Channel* will relocate from the Digital Preferred package to the Digital Starter package. *Speed Channel* will continue to be available to those customers subscribing to Digital Preferred, as Digital Starter is a component of the Digital Preferred package. The dial position for *Speed Channel* remains unaffected by this change.

Customers will be notified in advance of these changes. Please feel free to contact me if you have any questions or would like additional information, I can be reached at (224) 229-3214.

Sincerely,

Libbie Stehn Tumulty
Government Affairs Manager
