

The following exterior features of the August (Manny) Dick House, 1020 Kentucky Street, are among those protected by City Ordinance No. 8591, approved October 19, 1993:

1. All exterior brick (tapestry bond) and stone.
2. Corner piers with stone caps.
3. All windows with stone sills.
4. Narrow wooden strips decorating the undersides of eaves.
5. Wide eaves with brackets.
6. Four gutter drain pipes curving artfully around eaves and sides of structure.
7. Small square stone ornament applied to corner piers.
8. Central brick chimney.
9. Original gently sloping gable roof line.
10. Garage at back of property with tile trim at roof line.
