^Pension benefits are reported differently for each pension group:

IMRF Pension benefit amount is a fixed percentage based on individual wages.

Police pension benefit is a manually calculated benefit which proportionatly allocates the FYE 4/30/19 total police pension cost of \$2,858,393.76 (which includes the unfunded liability portion) to the police pensionable wages earned in FYE 4/30/19

Fire pension benefit is a manually calculated benefit which proportionatly allocates the FYE 4/30/19 total fire pension cost of \$3,272,463.68 (which includes the unfunded liability portion) to the fire pensionable wages earned in FYE 4/30/19

\*Employees earn vacation time based on their collective bargaining agreement, or the city handbook, if non-union. Accrued vacation hours earned typically increase with years of service.

Employees are required to use their annual allotment of vacation days. Vacation pay is included in Gross Pay.

\*\*Employees earn sick time based on their collective bargaining agreement, or the city handbook, if non-union. Sick hours may accumulate up to a limit set by the employee's collective bargaining agreement or the city handbook, if non-union. Sick time earned in excess of the limit is bought back at a rate determined by the collective bargaining agreement or the city handbook, if non-union.

Any sick time used or sick time buyback pay is included in Gross Pay.

The sick bank limit was decreased in FYE 2018 for the 822 Union, Fire Union & non-union employees. The sick bank limit was decreased again in FYE 2019 for the 822 Union, Police Union & non-union employees resulting in additional sick pay buy outs.
