

AERONAUTICS COMMITTEE MEETING AGENDA

May 7, 2025 at 4:30PM
City of Quincy Council Chambers

Call To Order

Public Comments (3-minute limit per speaker):

Approval of the April Aeronautics Committee meeting minutes

Mayor's Report

Old Business

- Proposal From Lucky Trish regarding the replacement of underground fuel tanks. Table for another month.
- Decide on the type of signage we wish to quote for the restaurant.
- EAS update

Engineering Report

Airport Director's Report

New Business

- Request approval to adjust the ten-year vision for future grants to include the purchase of one piece of SRE equipment.
- Request approval to allow the new taxicab service to post some flyers inside the terminal so passengers are aware of their operation.
- Request approval to advertise two T hangars we have available for rent.
- Review bids for SRE and make a recommendation!
