**TRANSIT ADVISORY COMMISSION  
AGENDA**

**DATE: Monday, April 28, 2025**

**TIME: 6:15 pm**

**PLACE: City Hall, Caucus room**

1. Call the meeting to order.
2. Approval of Minutes (February / March)
3. New Business
  - A) New buses-----Pick up May 7th
    - a. preparation
      - i. New radios-----Current radios are more than 10 years old and have significant issues communicating with the office and bus to bus
      - ii. Striping / Wraps-----we will need to have new Transit striping put on the buses, we will put minimal striping on units that will be wrapped for advertising
      - iii. Fare collection-----as mentioned last meeting we will need to find some form of fare collection we are working on getting a BID / RFP put together
      - iv. Passenger counting-----a digital counting system included with electronic fare collection is ideal in the interim we will need to buy manual counters to keep track of passenger counts
      - v. Destination signs-----Buses are not equipped with destination signs we will have to purchase for all units
      - vi. Cameras-----part of the State RFP I am working on-----GPS/AVL included here as well
