

Extending the Theater to the North was discussed but the city has already started working on the new parking lot which must be completed by August as a requirement of the funding. It would be helpful if the alley were eliminated to allow better access for loading/unloading from our stage. Oakley stated she will talk to the mayor for additional support.

Brown stated that with the increased use of the theater he recommended we purchase an additional 2 wired microphones and 1 digital snake for an estimated cost of \$1,300. Lawrence made a motion to approve these purchases, Westerhoff seconded, and motion carried.

**Adjournment:** Motion made by Westerhoff & seconded by Brown to adjourn at 6:40 p.m. Motion carried.

**NEXT MEETING:** Tuesday July 22 at 5:15 p.m. at the theater
