New Business

- Request authorization to select CMT as engineering firm to assist with a second SRE grant and allow Mayor Moore to enter into an agreement with CMT. This grant was encouraged by FAA certification inspector.
- Request authorization for Mayor Moore to enter into an agreement with Sightline to perform a paint assessment for the Quincy Regional Airport. The cost for this one-year project will be \$40,000.
- Request authorization for Dr Stephen Nesbitt to switch from T Hangar C6 to T Hangar C4 and Mayor Moore be allowed to enter into a new lease agreement. The cost will be the same. This authorization is corrected from last month.
