

AERONAUTICS COMMITTEE MEETING AGENDA

**October 1st, 2025 at 4:30PM
City of Quincy Council Chambers**

Call To Order

Public Comments (3-minute limit per speaker):

Approval of the September Aeronautics Committee meeting minutes

Engineering Report

Airport Director's Report

New Business

- Request authorization to table for two months the idea of creating a new ordinance requiring aircraft to be airworthy to be stored on the GA Aprons.
- Request authorization to alter fire protection status at the Quincy Airport to provide fire protection for Contour Airline during hours of airline operations. This change will be dependent on the ability to find financing.
