ADDENDUM #2

TO: Registered Vendors
FROM: Mary-Ann Ervin, Purchasing Agent
SUBJECT: RFP for Generator Service Contract
DATE: 05/06/2019

The City of Quincy is sending this Addendum #2 to all registered vendors for the Request for Proposal regarding the Generator Service Contract for City locations.

The City of Quincy would like to include the following changes to the RFP:

1) Revised Exhibit A – Revision 2

Exhibit A has been revised and it includes location updates.

All interested vendors are asked to review the Revised Exhibit A.

2) Question Received

The City of Quincy would like to include the following question received regarding the Generator Service RFP. Please review the question along with our response.

Question: If the city chooses to have the oil and fuel tested and the generators load banked, would that service be completed during the same visit as the June/December service and/or inspection or would that service require a second separate trip to each site?

Answer: For the sites which the City chooses to have optional testing performed, this testing would be requested once per year and may be completed during a scheduled service or inspection, eliminating the need for a separate visit.

The due date for the RFP has not changed and will be due on Thursday, May 16, 2019 at 11:00 am.

This Addendum #2 dated 05/6/19 shall become a part of the contract documents.

EXHIBIT A - REVISION 2
