

Police Department Annual Report FY 2015 - 2016

Quincy Police Department
110 South 8th Street
Quincy, Illinois 62301

Robert A. Copley
Chief of Police

Douglas VanderMaiden
Deputy Chief - Operations

Shannon Pilkington
Deputy Chief – Administrative Services

Report created by: Susan Vahlkamp, Records Supervisor

Message From The Chief

To: The Citizens of Quincy, Mayor Kyle Moore,
Members of the City Council, and the Board of
Fire and Police Commissioners

On behalf of the men and women of the Quincy Police Department it is my pleasure to present to you our FY2015-2016 Annual Report. We continue to strive to better serve the citizens of the City of Quincy in a more effective and efficient manner. You will find that while the narrative of this report spans the fiscal year, due to availability, some of the statistics do not.

While we were forced to start this fiscal year with four less officers, thanks to your great efforts we eventually gained two back. Unfortunately, we also had unexpected retirements throughout the year. These deficits have continued to be felt throughout the year. The staff reduction, in conjunction with increased violent crime and a different community focus, wreaked havoc on our overtime budget.

Calls For Service decreased from 33,721 in 2014 to 33,324 in 2015. Self initiated activity decreased by 31, going from 3,552 in 2014 to 3,521 in 2015. It is important to note that the Calls For Service numbers include officer self initiative activity; a decrease in that activity affects the total. Total Index Crimes decreased from 1,556 in 2014 to 1,315 in 2015; Violent Crime increased 7.89% while Property Crime was down 18.74%. The following lists the changes in the various Index Crime categories between 2014 and 2015. There were increases in four categories: Criminal Homicide was up from 2 to 5, Forcible Rape was up from 24 to 31, Aggravated Assault/Battery was up from 151 to 160, and Arson doubled from 3 to 6. There were decreases in four categories: Robbery went from 31 to 24, Burglary decreased to 231 from 234, Theft went from 1094 to 841, and Motor Vehicle Theft lowered to 32 from 35.

For a variety of reasons, our traffic enforcement activity has been greatly curtailed. Unfortunately, I believe that this is directly reflected by the increase in accidents, injuries, and fatalities. In looking at the three most important violations for safety (Speeding, DUI, and Seat Belts) our enforcement decreased 24.82%. Specifically, Seat Belt warnings and citations decreased 4.55% and 35.44% respectively, while Speeding warnings and citations decreased 17.59% and 28.71%. DUI arrests did increase by 1 from 125 to 126 (0.8%). Meanwhile total traffic crashes increased 3.43%, injuries from traffic crashes increased 1.02%, and traffic fatalities increase from 1 to 5 (400%).

We also continue to fight the scourge of illicit drug use in our community. Our efforts in this area are varied. While our patrol officers are the front line, a tremendous effort is put forth behind the scenes with our officers in the Street Crimes Unit and the West Central Illinois (Drug) Task Force. Working hand in hand with the Illinois State Police and the Adams County Sheriff's Department, we continue to put forth great efforts on this front. Although methamphetamine and cannabis still have a hold in our community, one of our largest challenges is the increase in heroin. As if heroin is not bad enough alone, some of the product we are seeing is laced with fentanyl. This deadly combination has led to an increase in drug overdoses. It is to the extent that our officers are now carrying Opioid antidotes, such as Narcan.

I would like to thank everyone for the great support received this past year. I especially wish to thank the members of the Quincy Police Department; if not for their hard work and dedication, we would not be the department that we are today.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Copley', with a stylized flourish at the end.

Robert A. Copley
Chief of Police

6.7 Remembering Fallen Heroes	50

Disclaimer: Statistical numbers used in this report are those reported as of 06-01-16 and may not reflect changes made to those numbers after that date.

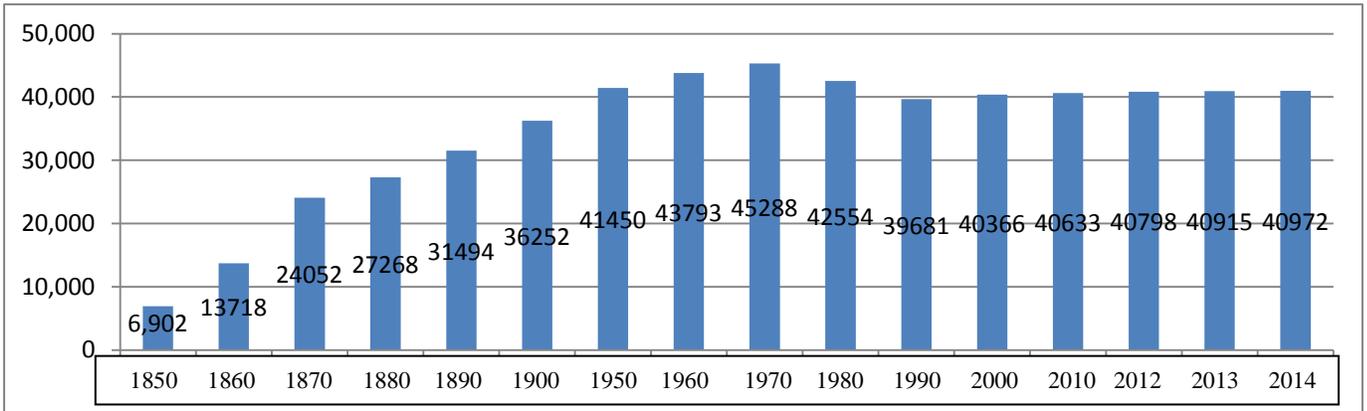

Section One: Introduction

1.1. City Population 40,915 (U.S. Census Quick Facts for 2014)

Since 1970, when Quincy’s population was at its highest of 45,288, the population of the city has slowly declined to a point where it has stayed relatively steady since 1990. Crime in Illinois 2014 reports the population of the city at 40,972. Of the 1364 Cities in Illinois, Quincy is ranked as the 40th-most populous.

In 2010, the land mass of Quincy was reported as being 116.04 square miles, with an approximate total of 270 street miles. The U.S. Census Bureau reported (in 2014) that there are approximately 2554.1 people per square mile, with 18,655 homes/condos/apartments in the city. The police department has divided the city into five policing districts, three to the west of the dividing line which is 18th street and two to the east.

The Quincy police department is budgeted to have 73 sworn officers. Of these 73 officers, 17 hold a ranking position of sergeant or above, one officer is in an administrative support position, 41 are street patrol officers, five are juvenile or criminal detectives, one is a drug task force investigator, three are school resource officers, one is an elder service officer, one is a Quincy Housing Authority officer, and one is a ProAct officer. According to last FBI report done in 2009, the police per capita at the National level was 2.44 per 1000, at the Illinois level it was 2.86 officers and at the Quincy level (73 officers) it was 1.78 officers.

1.3 Mission Statement of the Quincy Police Department

Mission Statement of The Quincy Police Department

“As members of the Quincy Police Department, it is our mission and duty to serve the citizens of our community and to protect all life and property; to apply the law fairly, ethically and equally to all; and to work in concert with the citizens of our community to improve Quality of Life.”

Section Two: Uniform Crime Reporting System (UCR)

The Federal Bureau of Investigation (FBI) annually publishes the “Crime in the US” report. The report relies on data collected and reported by participating agencies. Unfortunately, the State of Illinois does not report its law enforcement agencies UCR information to the FBI.

The Quincy Police Department voluntarily participates in the State of Illinois UCR system. For the purposes of this report, the focus will be on the seven major crimes reported in UCR. For reporting purposes, the seven major crimes are categorized into two groups: Violent Crime (including Murder, Criminal Sexual Assault, Aggravated Assault/Battery and Robbery) and Property Crime (including Burglary, Theft and Motor Vehicle Theft). The Total Major Crime or Index Crime is an aggregate of the total Violent Crime and Property Crime, providing an overall view of major crime in an area.

The UCR system counts each victim of murder, sexual assault and aggravated assault/battery as an individual crime occurrence, whereas only incidents of robbery, burglary, larceny and motor vehicle theft are counted. This means that a double murder occurring at the same time in the same location is treated as two murders but a robbery in which a store clerk and three customers are the victims is only counted as one robbery. Sec 2

2.1. Reporting Methodology

The reporting method utilized in this report is Volume which represents the actual number of crime incidents reported in accordance with the UCR system. The volume of crime in a specific area is critical to strategic planning and identifying trends.

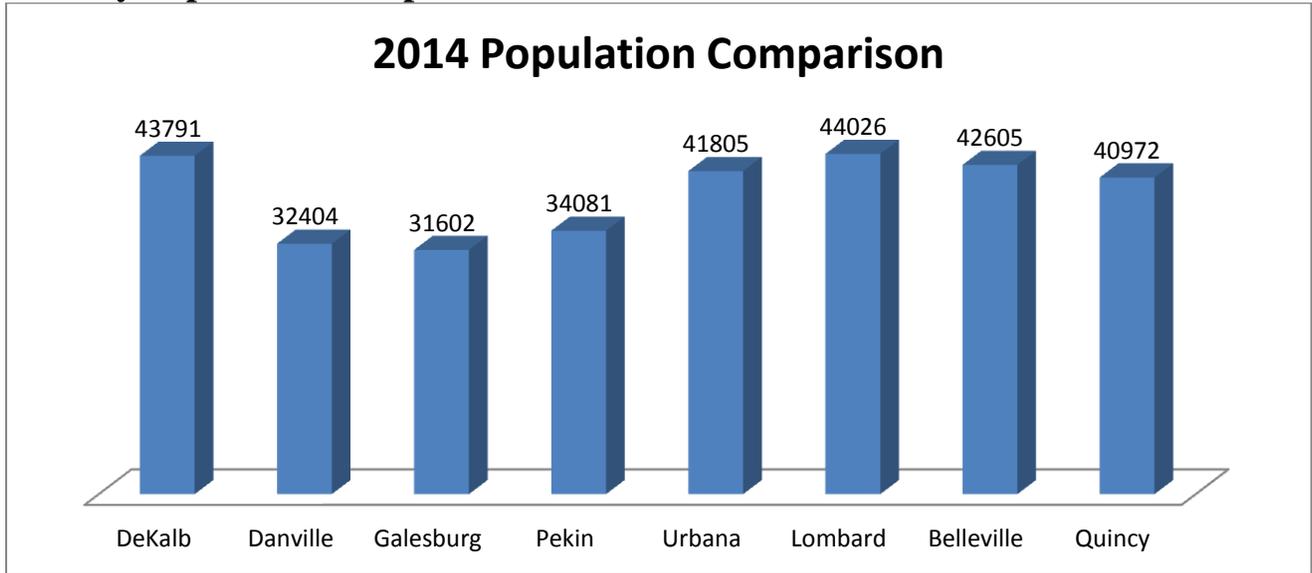

Since normally viewed comparisons for Crime utilizes Rate and are compiled and compared for populations of 100,000 or more residents, the statistical comparisons in this report will be by volume with cities comparable in size to Quincy. UCR information from a sampling of Illinois cities having a population between 31,000 and 43,000 residents was used in the comparison section of this report. This information was pulled from the information found in the FBI’s Crime Report for 2014, the Illinois State Police 2014 Crime in Illinois Report, and by contacting the individual departments.

The comparison numbers being used, both nationally and for our department, are those reported for the calendar year 2014 and 2015. To determine averages the following calculations were performed. National UCR totals were divided by taking the total population figure and dividing it by 1000 to come up with the per 1000 population total which is then used as the divisor to figure the Crime Rate from the nationally reported Volume. The same was done using those corresponding figures for the State and those Illinois cities comparable in size to Quincy. UCR reported numbers for 2015 will not be available until sometime late in the year of 2016; however, the information for 2015 was gained by contacting the individual departments.

Section Three: Crime In Comparative Sized Illinois Cities

The City of Quincy was compared to 10 other similar sized Illinois communities that participate in the FBI's UCR System.

3.1. City Population Comparison

(Population numbers taken from Crime in Illinois for 2014.)

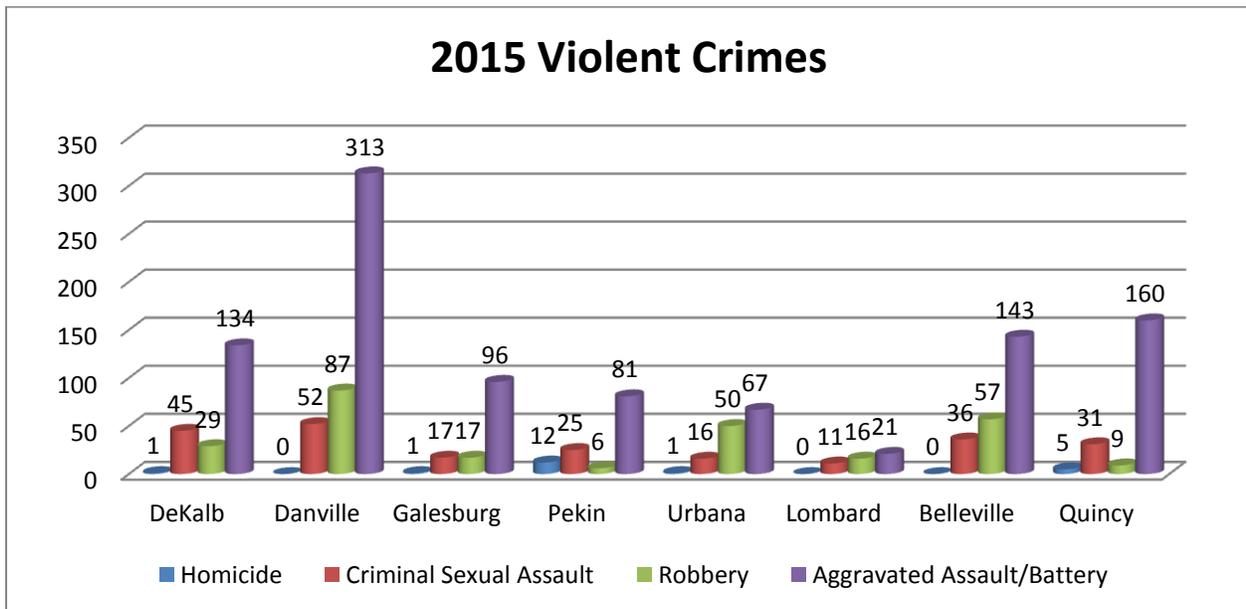

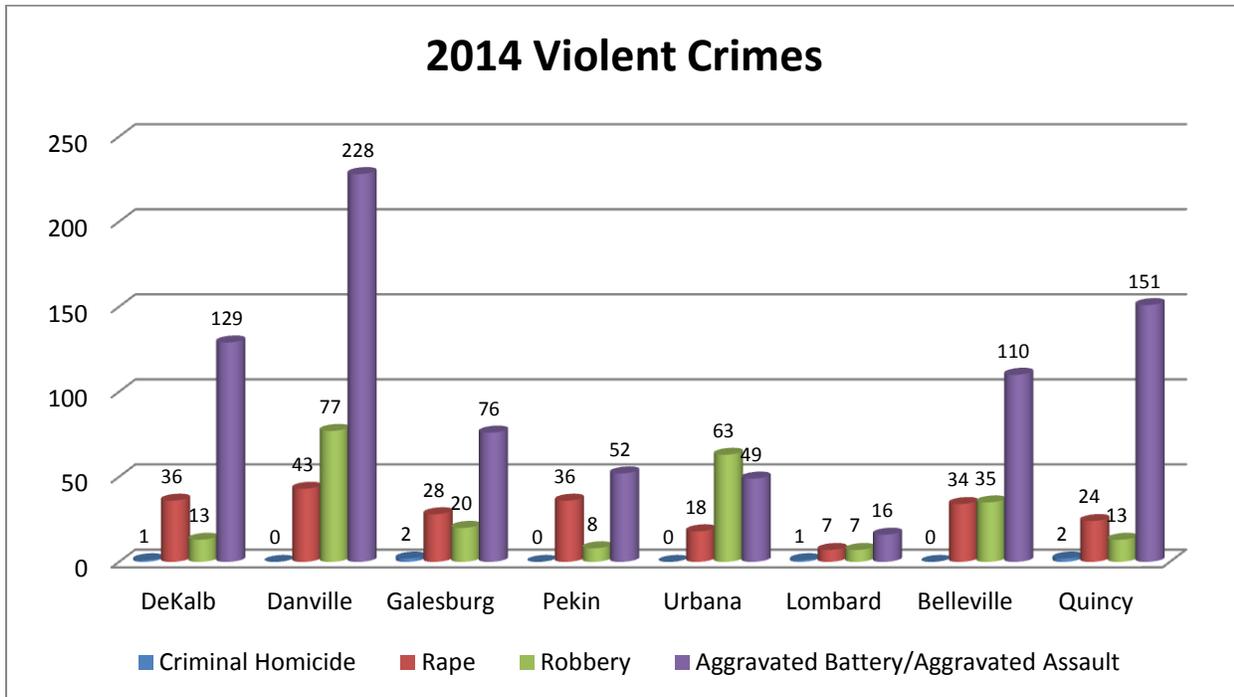

3.2. Two Year View (2014-2015) Crime Comparison

Reported Statistics that can be used for comparisons are normally made available one year after their reported compilation; however, information was gained for 2015 by contacting the individual departments used in the comparison.

You will clearly see that all compared cities had increases in violent crime in 2015. You will also see that most of them had a larger increase than Quincy. In 2014 Quincy had the second highest violent crime count, behind Danville. In 2015 we dropped to 4th highest, behind Danville, Belleville, and DeKalb. We had the third highest percent of increase of violent crimes (Lombard 54.84%, Belleville 31.84%, Danville 29.89%, Pekin 29.17%, DeKalb 16.76%, Quincy 7.89%, Galesburg 3.97%, and Urbana 3.08%).

3.2.1. Violent Crimes Reported

toc

3.2.2. Violent Crime Involvements Relationships

With our increase in violence crime, I believed it important to look at the relationships of certain factors to these crimes. The factors I used were: gangs, mental health, alcohol, drugs, street crime, and whether the perpetrator was known to the victim. For 2015 we looked at the reports after the fact, which may take away from accuracy. Beginning in 2016 we have the officers submitting the reports tabulate the relationship factors. Also in 2016 we added the factor of weapons used and how many of those were firearms.

2015 VIOLENT CRIME INVOLVEMENTS RELATIONSHIPS

Total – 226 (includes Home Invasions)

Gang:	Victim: 7 (3.10%)	Suspect: 15 (6.64%)	Either by incident: 18 (7.96%)
Mental Health:	Victim: 7 (3.10%)	Suspect: 10 (4.42%)	Either by incident: 16 (7.08%)
Alcohol:	Victim: 42 (18.58%)	Suspect: 43 (18.03%)	Either by incident: 59 (26.11%)
Drugs:	Victim: 17 (7.52%)	Suspect: 27 (11.59%)	Either by incident: 33 (14.60%)
Street Crime:	72 (31.86%)		
Known:	151 (66.81%)		

Murder - 5

Gang:	Victim: 0 (0%)	Suspect: 1 (20%)	Either by incident: 1 (20%)
Mental Health:	Victim: 0 (0%)	Suspect: 1 (20%)	Either by incident: 1 (20%)
Alcohol:	Victim: 2 (40%)	Suspect: 1 (20%)	Either by incident: 3 (60%)
Drugs:	Victim: 1 (60%)	Suspect: 3 (60%)	Either by incident: 5 (100%)
Street Crime:	0 (0%)		
Known:	3 (60%)		

Criminal Sexual Assault – 31

Gang:	Victim: 0 (0%)	Suspect: 2 (6.45%)	Either by incident: 2 (6.45%)
Mental Health:	Victim: 4 (12.9%)	Suspect: 2 (6.45%)	Either by incident: 6 (19.35%)
Alcohol:	Victim: 9 (29.03%)	Suspect: 8 (25.81%)	Either by incident: 12 (38.71%)
Drugs:	Victim: 5 (16.13%)	Suspect: 8 (25.81%)	Either by incident: 10 (32.26%)
Street Crime:	1 (3.23%)		
Known:	26 (83.87%)		

toc

Robbery – 9

Gang:	Victim: 0 (0%)	Suspect: 2 (22.22%)	Either by incident: 2 (22.22%)
Mental Health:	Victim: 0 (0%)	Suspect: 0 (0%)	Either by incident: 0 (0%)
Alcohol:	Victim: 5 (55.56%)	Suspect: 0 (0%)	Either by incident: 5 (55.56%)
Drugs:	Victim: 1 (11.11%)	Suspect: 3 (33.33%)	Either by incident: 3 (33.33%)
Street Crime:	9 (100%)		
Known:	4 (44.44%)		

Aggravated Assault/Aggravated Battery – 158

Gang:	Victim: 7 (4.43%)	Suspect: 9 (5.70%)	Either by incident: 12 (7.59%)
Mental Health:	Victim: 3 (1.90%)	Suspect: 7 (4.43%)	Either by incident: 9 (5.70%)
Alcohol:	Victim: 25 (15.82%)	Suspect: 32 (20.25%)	Either by incident: 37 (23.42%)
Drugs:	Victim: 3 (1.90%)	Suspect: 7 (4.43%)	Either by incident: 9 (5.70%)
Street Crime:	62 (39.24%)		
Known:	109 (68.99%)		

Home Invasion – 14

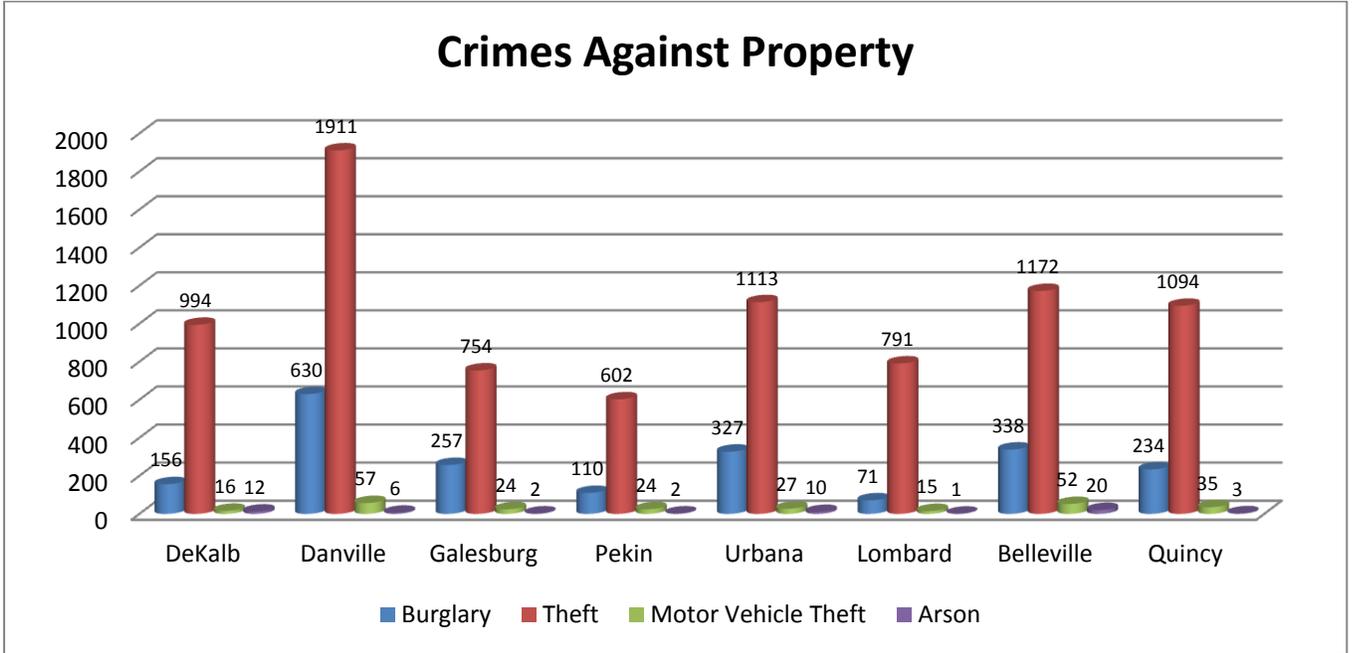

Gang:	Victim: 0 (0%)	Suspect: 1 (7.14%)	Either by incident: 1 (7.14%)
Mental Health:	Victim: 0 (0%)	Suspect: 0 (0%)	Either by incident: 0 (0%)
Alcohol:	Victim: 1 (7.14%)	Suspect: 2 (14.29%)	Either by incident: 2 (14.29%)
Drugs:	Victim: 5 (35.71%)	Suspect: 6 (42.86%)	Either by incident: 6 (42.86%)
Street Crime:	0 (0%)		
Known:	9 (64.29%)

3.2.6. Crime Rate Comparison National / State / City

The following information is taken from the FBI’s Crime in the United States, 2013

- *In 2014, an estimated 1,165,383 violent crimes occurred nationwide, a decrease of 0.2 percent from the 2012 estimate.*
- *When considering 5- and 10-year trends, the 2014 estimated violent crime total was 6.9 percent below the 2010 level and 16.2 percent below the 2005 level.*
- *There were an estimated 365.5 violent crimes per 100,000 inhabitants in 2014, a rate that declined 5.1 percent when compared with the 2013 estimated rate.*
- *Aggravated assaults accounted for 63.6 percent of violent crimes reported to law enforcement in 2014. Robbery offenses accounted for 28.0 percent of violent crime offenses; rape (legacy definition) accounted for 7.2 percent; and murder accounted for 1.2 percent.*
- *Information collected regarding types of weapons used in violent crime showed that firearms were used in 67.9 percent of the nation’s murders, 40.3 percent of robberies, and 22.5 percent of aggravated assaults. (Weapons data are not collected for rape.)*

2014	Violent Crime Totals	Murder	Forcible Rape	Robbery	Aggravated Assault/Battery
National	1,165,383	14,249	116,645	325,802	741,291
Illinois	46,582	674	4,089	15,064	26,755
Quincy	190	2	24	13	151
<i>Rate per 100,000 Residents</i>					
National	365.5	4.5	36.6	26.4	102.20
Illinois	361.6	5.2	31.7	117.0	207.7
Quincy	463.7	4.9	58.58	31.7	368.5

NOTE: The above table and chart are based on the numbers as reported to and shown in the FBI’s “Crime in the US” Statistical Report for 2014.

- *A murder occurs every 36.9 minutes*
- *A rape occurs every 4.5 minutes*
- *A robbery occurs every 1.6 minutes*
- *An aggravated assault occurs every 42.5 seconds*

3.2.7. Crime Rate Comparison National / State / City

The following information is taken from the FBI’s Crime in the United States, 2014

- *In 2014, there were an estimated 8,277,829 property crime offenses in the nation. The 2-year trend showed that property crime declined 4.3 percent in 2014 when compared to*

the 2013 estimate. The 10-year trend showed that property crime offenses decreased 18.6 percent in 2014 when compared with the 2005 estimate.

- In 2014, the rate of property crime was estimated at 2,596 per 100,000 inhabitants, a 5.0 percent decrease when compared with the 2013 estimated rate. The 2014 property crime rate was 11.9 percent less than the 2010 estimate and 24.3 percent less than the 2005 estimate.
- Of all property crimes in 2014, larceny-theft accounted for 70.8 percent. Burglary accounted for 20.9 percent and motor vehicle theft for 8.3 percent.
- Property crimes in 2014 resulted in losses estimated at \$14.3 billion.

2014	Property Crime Totals	Burglary	Theft	Motor Vehicle Theft
National	8,277,829	1,729,806	5,858,496	689,527
Illinois	259,538	48,545	193,429	17,564
Quincy	1,363	234	1,094	35
<i>Rate per 100,000 Residents</i>				
National	2,596.1	542.5	1,837.3	216.2
Illinois	2,015	376.9	1,501.7	136.4
Quincy	3,326.7	571.1	267.1	85.4

NOTE: The above table and chart are based on the numbers as reported to and shown in the FBI's "Crime in the US" Statistical Report for 2013.

2014 Crime Clock Statistics

- A property crime occurs every 3.8 seconds
 - A burglary occurs every 18.2 seconds
 - A larceny-theft occurs every 5.4 seconds
 - A motor vehicle theft occurs every 45.7 seconds

Section Four: City of Quincy Summary 2014

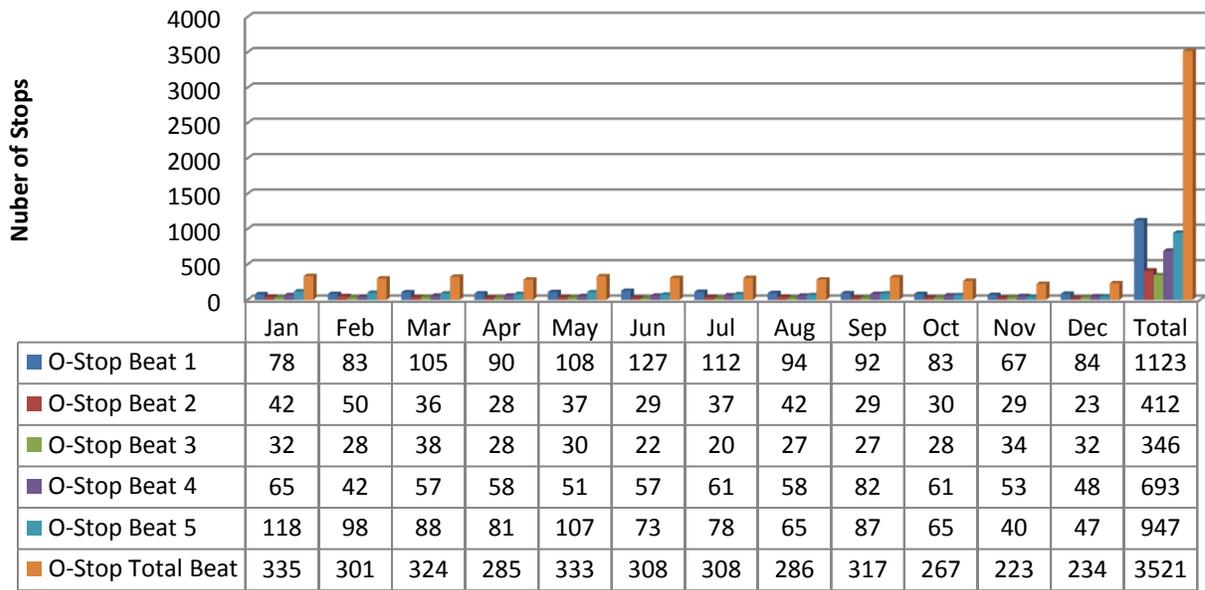

This section of the report provides the numbers compiled by the department for self reporting and for use in required reporting to other agencies or persons. Statistical numbers are compiled on a calendar year basis and not the fiscal year used by the City for other reporting. The intent of this section is to provide an overview of department activities for the calendar year 2015 and compare them to activities for calendar year 2014. In 2015 the Quincy Police Department recorded 33,324 calls for service. In 2014, the Quincy Police Department had 33,721 calls for service. This is a decrease of 397, or 1.78%. It should be noted that not all calls for service generate a case file number from which reports are filed. Also, the difference between the Total Beat and Total CFNs is that not all calls for service are geocoded, meaning they were not entered with an address/location recognized by the CAD system.

4.1. Calls for Service / Case File Numbers Issued

In 2015, the Quincy Police Department had 33,324 calls for service. The graph below shows the number of calls by the month and beat. As you can see, Beat 1 has the most calls for service, followed by Beats 5, 4, 3, and 2 respectively.

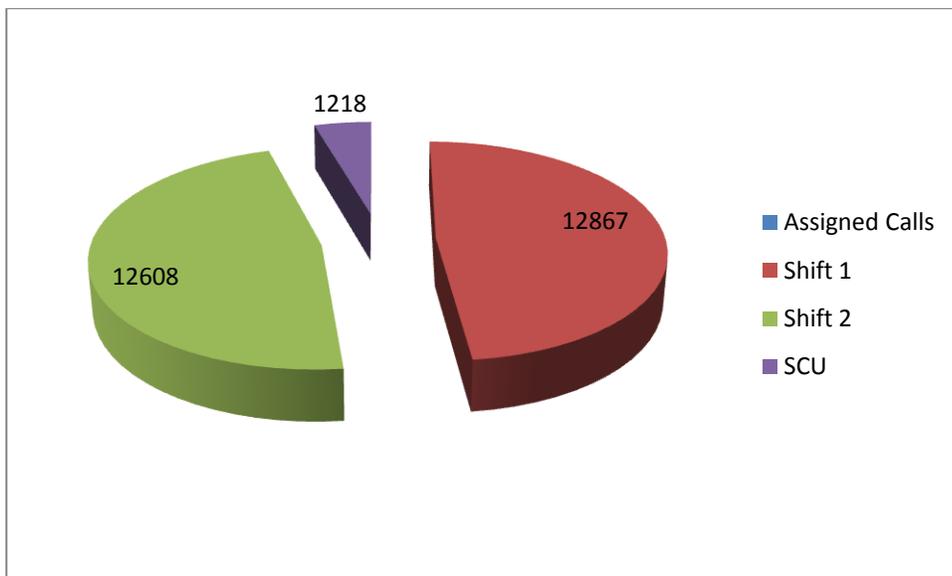

Officer Initiated Stops

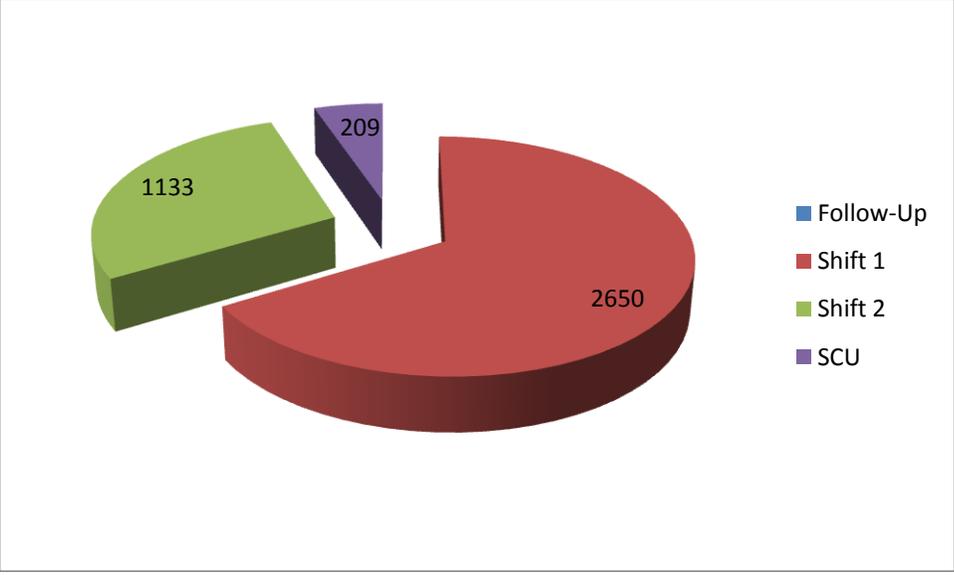

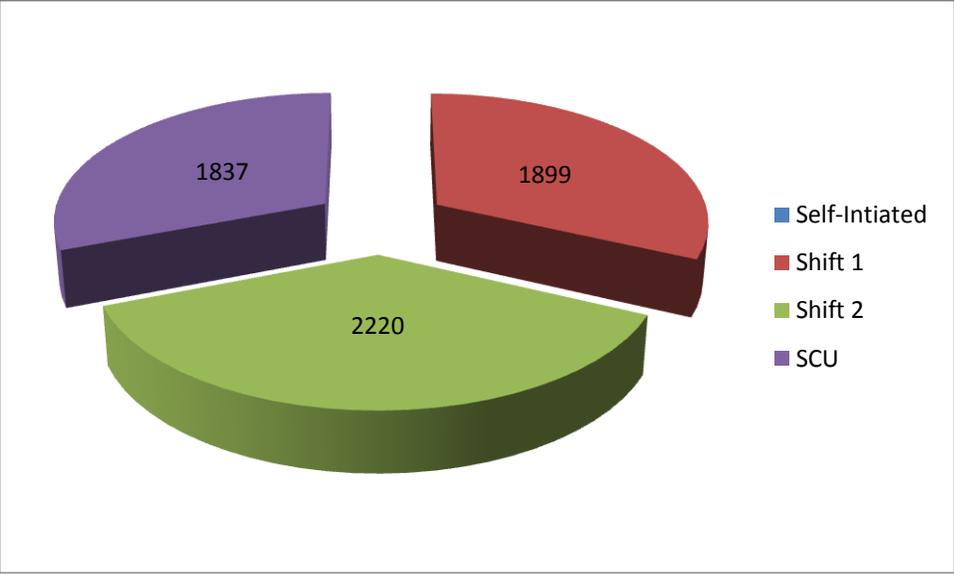

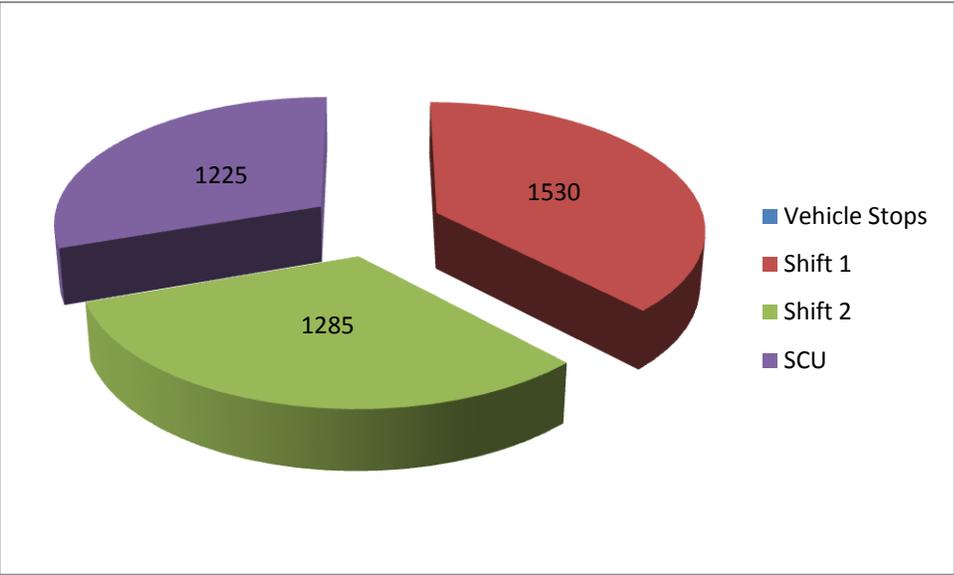

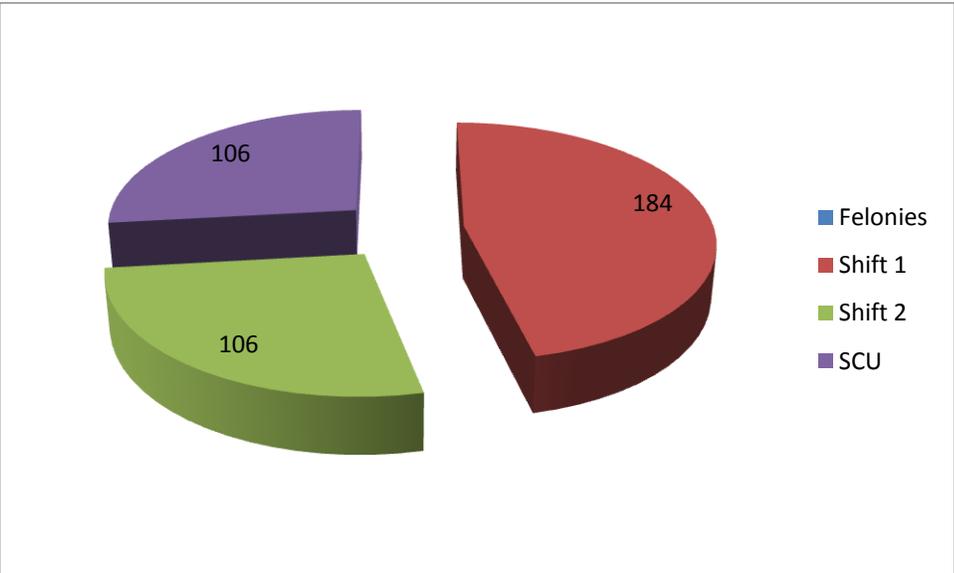

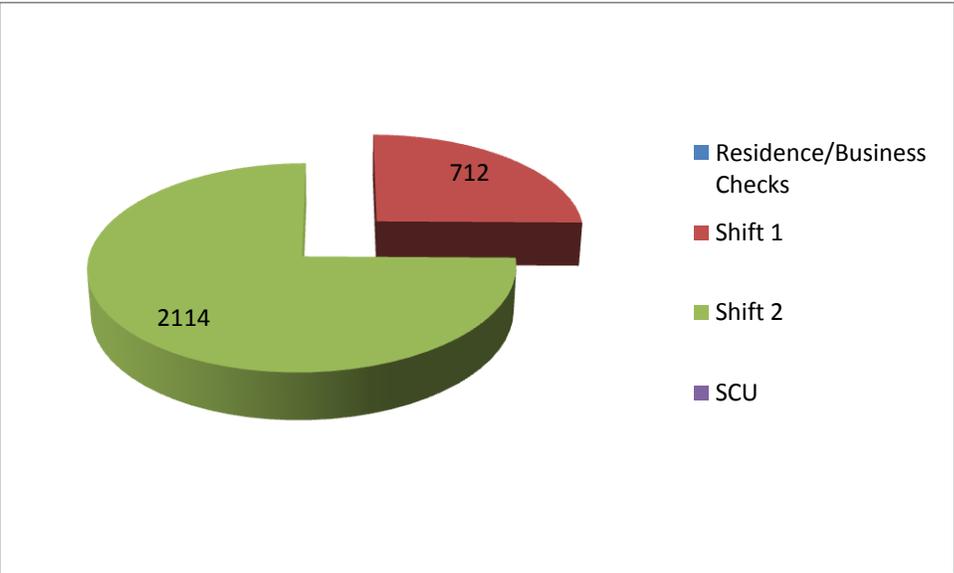

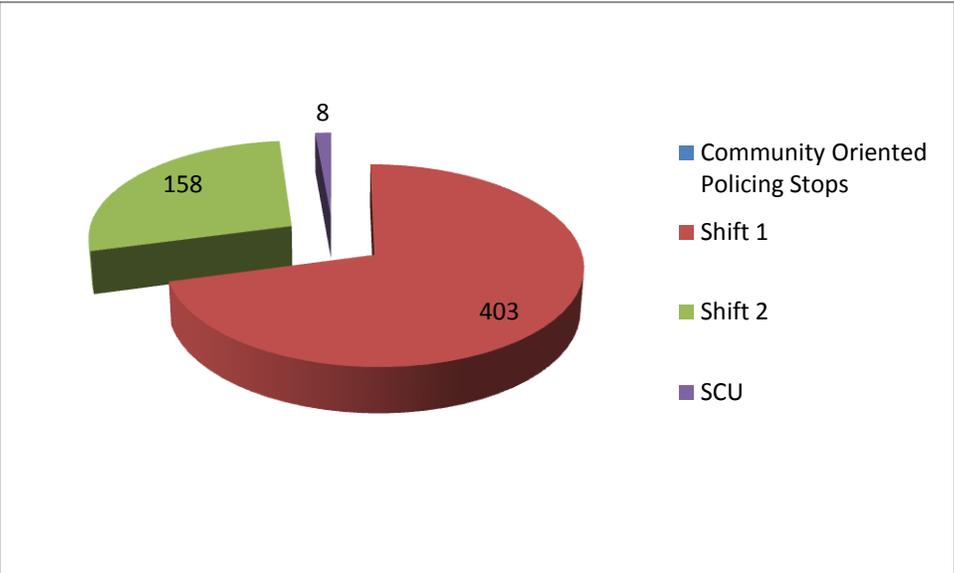

This graph shows the number of officer initiated calls within the 2015 calls for service. These calls are when officers put themselves out on a call without dispatch being called.

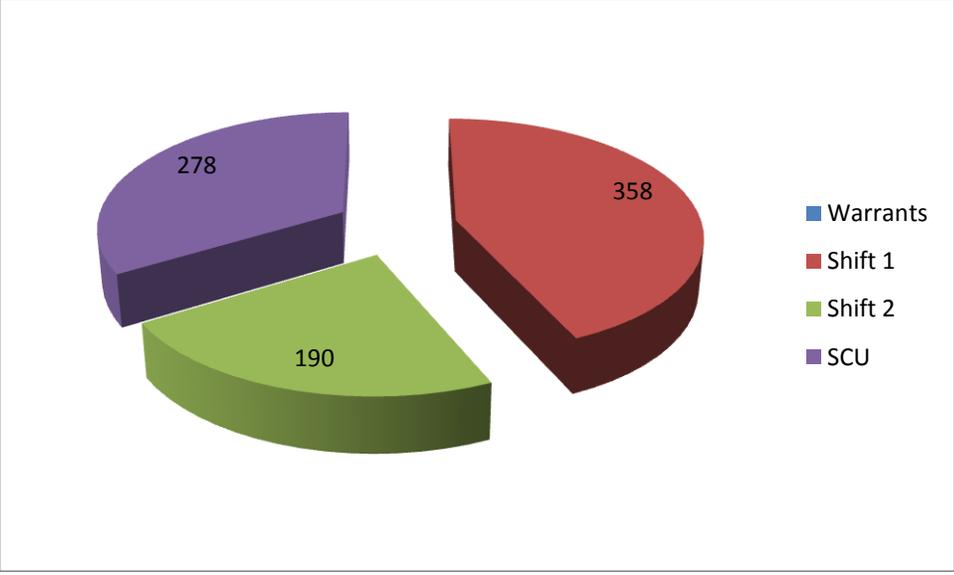

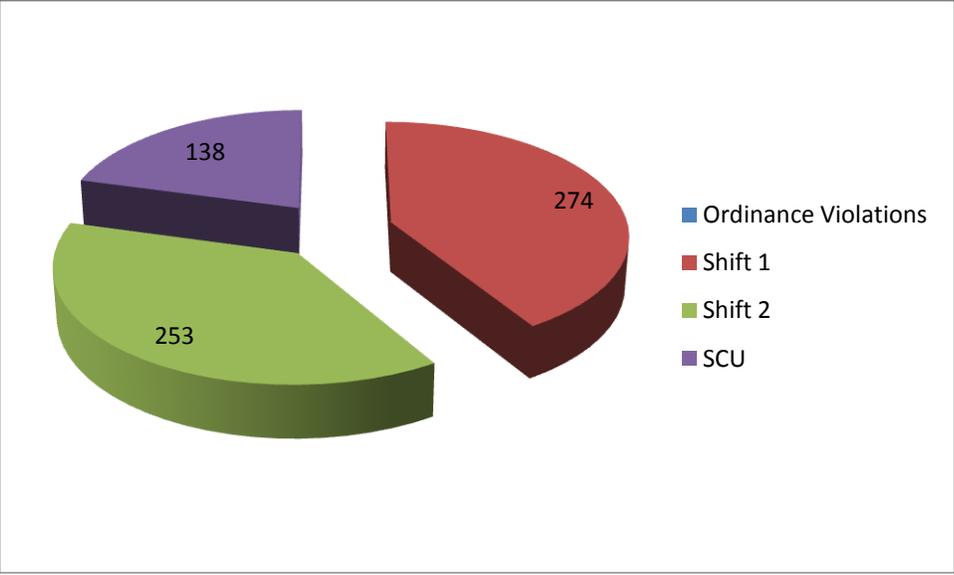

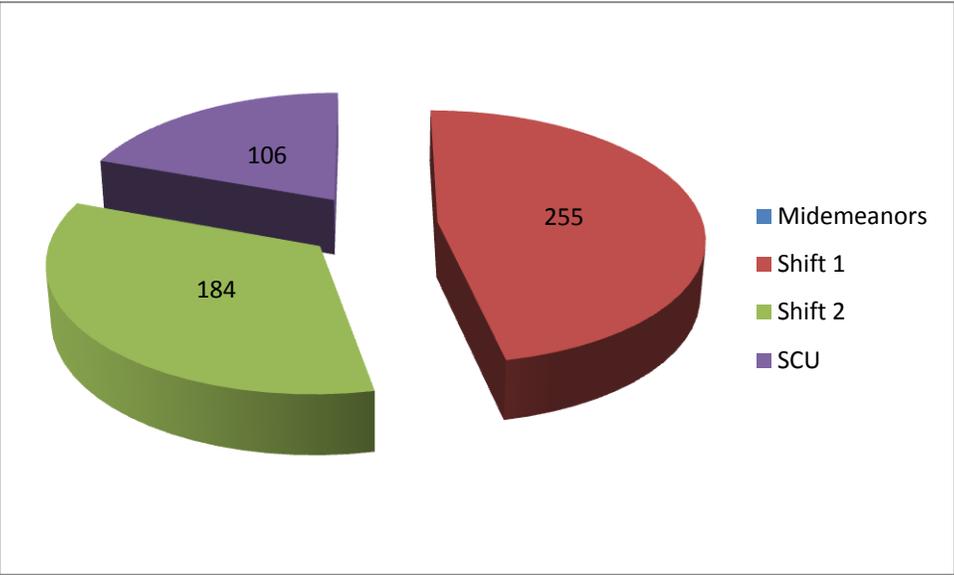

The Calls for Service numbers represent only those incidents where street officers were either dispatched to a call or where the street officer notified the 911 Center of their activity. They do not include incidents reported in other manners such as desk reports or teleserve. These would be reflected in the Case File Numbers issued.

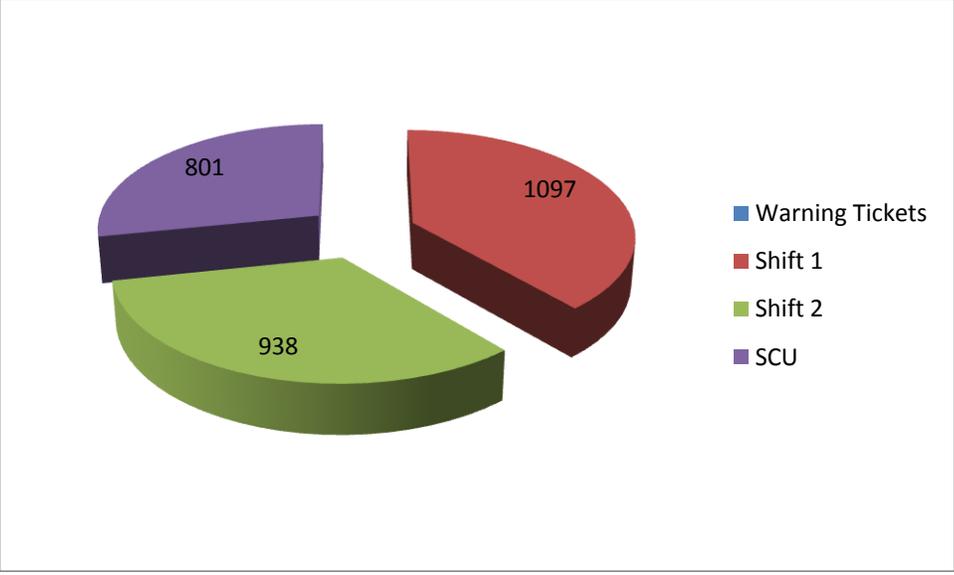

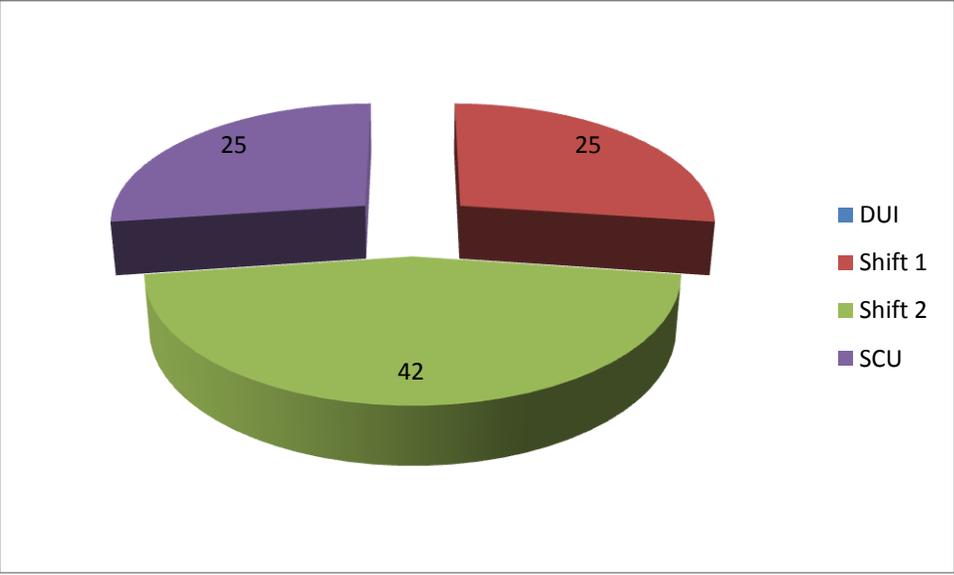

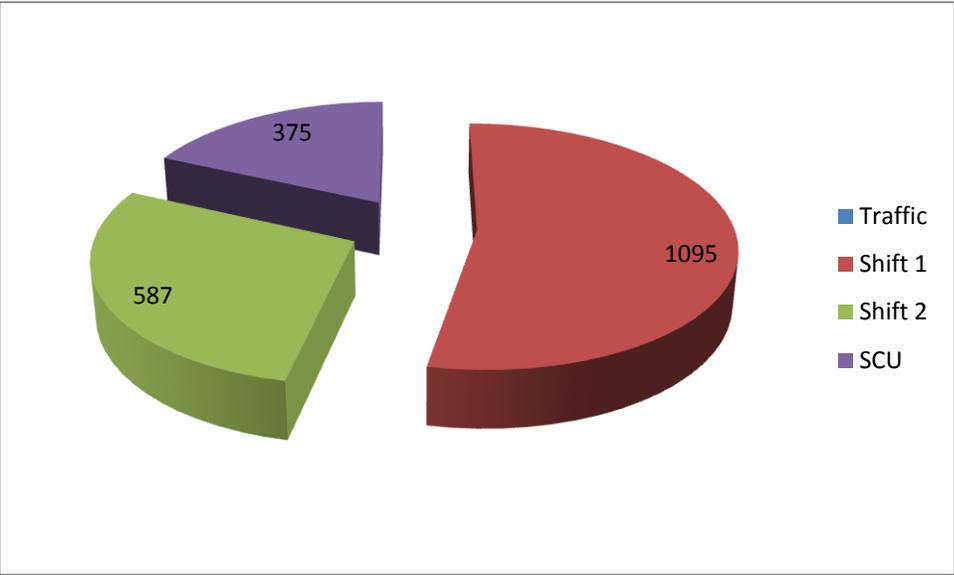

4.2. Street Officer Activities by Shift / Unit for 2015

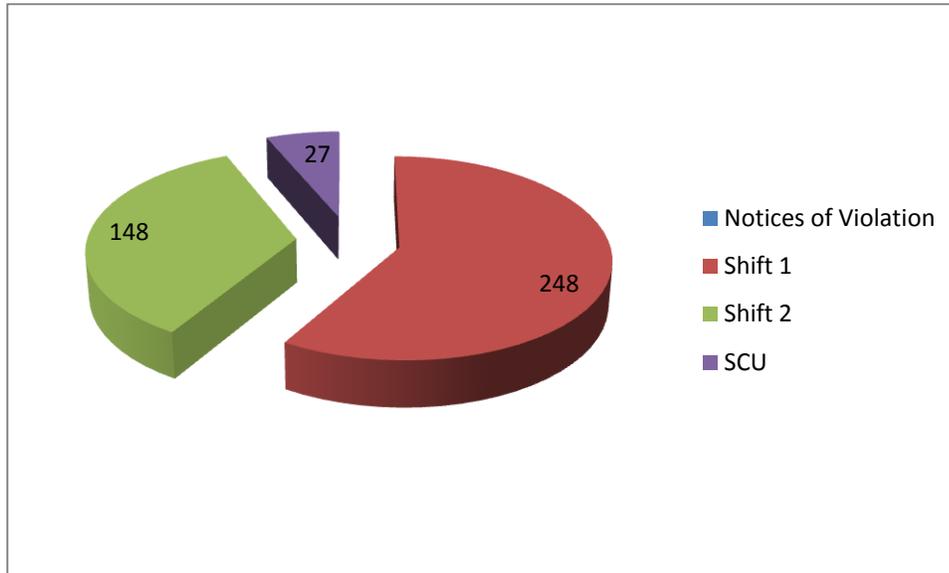

4.3. Assessment of Crime in Quincy

In this section of the report, the numbers of Uniform Crime Reporting (UCR) crime incidents compiled by our department for 2014 through 2015 are compared.

4.3.1. Violent Crime

Violent Crime	2014	2015	% Change
Criminal Homicide	2	5	150.00%
Forcible Rape	24	31	29.17%
Robbery	13	9	-30.77%
Aggravated Battery/Assault	151	160	5.96%
Violent Crime Total	190	205	7.89%

4.3.2. Property Crime

Property Crime	2014	2015	% Change
Burglaries	234	231	-1.28%
Thefts	1094	841	-23.12%
Motor Vehicle Thefts	35	32	-8.57%
Arson	3	6	100.00%
Property Crime Total	1366	1110	-18.74%

4.3.3. Total Major Crime

Total Major Crime	2014	2015	% Change
Major Index Crime Total	1556	1315	-16.03%

Total Major Crime, which combines UCR reported Violent and Property Crime, for the City of Quincy decreased by 16.79%. Overall, the total number of UCR reported index crimes dropped by 241 from 1556 in 2014 to 1315 in 2015. Increases occurred in the areas of Criminal Homicide, Forcible Rape, Aggravated Battery/Assault, and Arson. The table below shows a more detailed reporting comparison of Index Crimes for the City of Quincy.

4.6. Department Revenues

In the course of providing police services, Quincy Police officers encounter and make arrests on those persons who are found violating the laws of the State of Illinois and of the City of Quincy. The courts also collect fees, from those who are found or plead guilty, that are directed, by law, to the police department to be used in enforcing of laws such as Driving under the Influence or Drug Violations. Revenues for the fiscal year of 2014, which ran from May 01, 2013 to April 30, 2014, generated from the fines and penalties paid by those arrested and who either plead or were found guilty of their violations are:

Fiscal 2015

DUI Reimbursement **	\$	43,417.07
Notice of Violation tickets	\$	14,255.00
Parking Tickets	\$	0.00
Ordinance Violations	\$	471,739.61
Drug Fines	\$	2,693.16
Crime Lab Fees	\$	12,438.00
Total for Fiscal 2015	\$	543,257.84

Fiscal 2014

DUI Reimbursement	\$	40,276.61
Notice of Violation tickets	\$	16,160.00
Parking Tickets	\$	340.00
Ordinance Violations	\$	499,989.96
Drug Fines	\$	1,091.94
Crime Lab Fees	\$	12,590.79
Total for Fiscal 2014	\$	570,449.30

4.7. West Central Illinois Drug Task Force

Since 1988, the Quincy Illinois Police Departments has been involved with the West Central Illinois Drug Task Force by providing two officers to supplement this multi-jurisdictional task force. The focus of the task force is to address the unlawful sale, manufacture and use of drugs in West Central Illinois, which includes Quincy and Adams County.

Type of Drug	Cases		Arrests	
	2014	2015	2014	2015
Meth	83	72	106	56
Cocaine	6	4	3	3
Crack	1	2	3	1
Cannabis	32	18	23	15

Other Drugs	21	5	2	8
Other Offenses	0	8	0	3

Amount of all Drugs	2014	2015
Seized (grams)	102,309.611	1541.09
Purchased (grams)	1,196.55	368.30

	Cash Seized	Other Property Seized	Meth Labs Seized	Search Warrant
2014	\$8,721.00	\$32,688.00	23	47
2015	\$37,333.82	\$53,302.00	30	39

4.8. Summary Comparison Sick and Injury Time

For calendar year 2015, employees took a total of 2070.6 hours of sick time compared to 2502.92 hours in 2014, a decrease of 421.32 hours. Employees took a total of 335 hours of injury time in 2015 as compared to 219.50 hours in 2014, an increase of 115.5 hours.

4.9. Summary Comparison Animal Control Activities

In 2015 the Animal Control Officer handled 1444 calls, a decrease of 266 calls from the 1710 calls in 2014. He recovered 461 domestic and 120 wild animals compared to 559 domestic and 135 wild animals in 2014. He issued 45 Notices of Violation in 2015, with 36 being issued in 2014.

4.10. Summary Comparison Arrests and Tickets Issued

2208 criminal arrests and 3619 traffic arrests were made in 2015 as compared to 2069 criminal arrests and 3931 traffic arrests in 2014. There were 1279 city ordinance violation arrests in 2015 compared to 1286 in 2014. There were 576 Notice of Violation tickets and 3333 Warning tickets issued by officers in 2015 compared to 579 Notice of Violation tickets and 3848 Warning Tickets in 2014.

4.11. Summary Comparison Case File Numbers Issued

There were 33,324 case files created in 2015 compared to 33,721 in 2014,

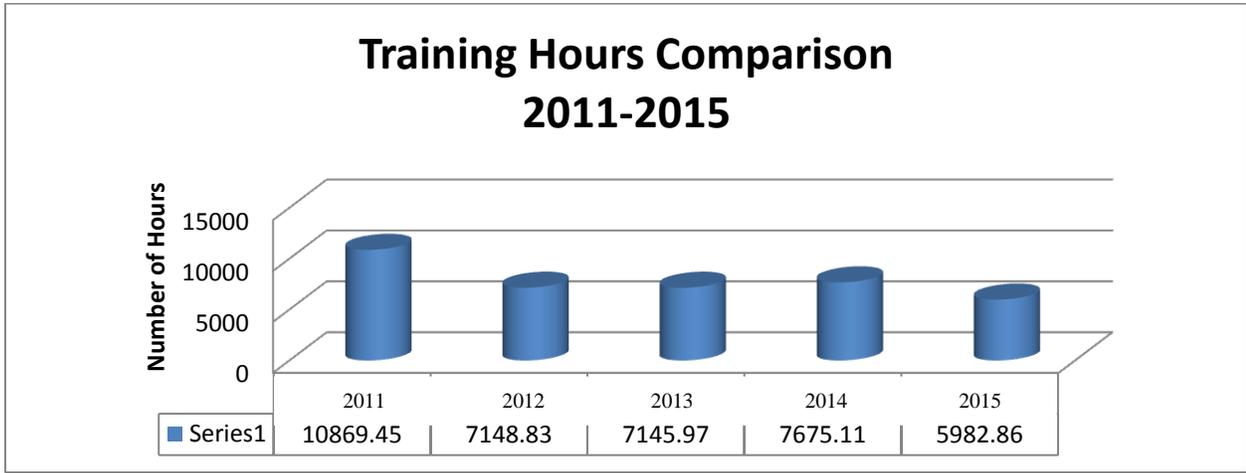

4.12. Summary Comparison Mileage / Gas Consumption

Officers and Animal Control drove a total of 409,699 miles in 2015 compared to 465,132 miles in 2014. Police vehicles used 38,141.05 gallons of gas in 2015 compared to 43,735.38 gallons of gas in 2014. Animal Control used 1558.15 gallons of gas in 2015 compared to 1,673.22 gallons of gas in 2014.

Section Six: Departmental Honors

Our Department recognizes its' employees for their contributions to both the Department and the community through departmental awards and recognitions consisting of such awards as Employee of the Year, Employee of the Month. Letters of Commendation are used to recognize outstanding work performance, duty above and beyond or other accomplishments connected to the department.

6.1. Employees of the Year

Detective Adam Gibson and Officer Craig Russell

toc

(The honor of Employee of the Year is chosen from those who were selected as Employee of the Month.)

6.2. Employees of the Month

January	Officer JD Summers and Officer Nickolas Eddy
February	Officer Jeff Baird
March	Jan Achelpohl
April	Officer Craig Russell
May	Officer Chris Mueller
June	Officer Terry Hagan
July	Officer Kris Billingsley
August	Officer Craig Hufford
September	Officer Ryan Witt
October	Detective Adam Gibson and Officer Craig Russell
November	Sergeant Mark Folkenroth
December	Sergeant Duane Long

(The following provides the nominating information for Employee of the Month.)

January, Officers Nick Eddy and J.D. Summers. On December 11, 2014 the dispatch received a report of a theft of a gun that had just occurred at the pawn shop located at 820 Maine Street. Officers Nick Eddy and J.D. Summers quickly responded to the area to assist in looking for the

suspects. With the help of some citizens and two court bailiffs, one juvenile was apprehended in the alley 6th to 7th / Spring to Broadway. A backpack containing the stolen gun was recovered by one of the bailiffs and given to Officer Summers. Officer Summers received information that the second subject ran into a nearby house. With the help of other officers, a perimeter was set up on the house. A short time later, consent to enter the residence was obtained and the second juvenile was located and arrested.

Officer Eddy met with the pawn shop employees and viewed the video surveillance to verify the subjects in custody were the same that stole the gun. Officer Eddy collected all the information and evidence needed in this case. Officer Summers continued his investigation and interviewed both juveniles. The juveniles admitted that this was a planned theft and that they had been looking to steal a gun for protection on the streets.

Due to the quick response of Officers Eddy and Summers to this incident, the thieves were quickly apprehended and the gun was recovered before it could be used on the street.

February, Officer Jeff Baird. Officer Baird was selected as Employee of the Month for February 2015 for his great work on January 14, 2015. At approximately 1715 hours that date, Officer Jeff Baird was detailed to the Blessing Hospital Emergency Room to investigate a stabbing. Upon arrival, Officer Baird quickly determined that there were in fact two victims, and that the incident had taken place near 12th and Einhaus Lane. Officer Baird obtained the suspect's name and address from one of the victims and disseminated that information to officers in the field. Officers Hodges and Ebbing conducted surveillance on the suspect's house. A short time later they observed the suspect pull up in the car he had stolen from one of the victims. A short foot chase ensued and the suspect, who was still armed with multiple knives, barricaded himself in his kitchen pantry.

Officer Baird responded to the scene to help deal with the barricaded subject. Officer Baird took the lead in speaking to the suspect, who was still armed with multiple edged weapons inside of his pantry. After several very tense minutes, Officer Baird was able to get the suspect to put two of his four knives down. Several more minutes went by, during which time Officer Baird continued to try and calm the suspect down and get him to surrender peacefully. After about eight to ten minutes, Officer Baird was able to convince the suspect to put the remaining two knives down and come out of the pantry. The suspect surrendered peacefully and was taken into custody without anyone else being injured.

Officer Baird's initial intelligence gathering and distribution of information made it possible for other officers to quickly locate the suspect as he returned home. In his role as "ad hoc" crisis negotiator, Officer Baird's calm demeanor, poise, and personal rapport with the suspect were invaluable in bringing this very dangerous situation to a safe resolution.

March, Jan Achelpohl. Jan Achelpohl was selected as Employee of the Month for March 2015. She is the police department's Evidence Custodian and since joining the department, she has been instrumental in transitioning our department from the old evidence system to the new BEAST bar coding system which began in 2010. Jan has been the primary administrator of this program since its inception.

Jan is a very conscientious, organized, and meticulous employee, which is extremely important when dealing with issues of an evidentiary nature. She is organized in her disposal of evidence

making way for new evidence which is extremely important due to the limited space for storing evidence.

Jan works closely with judges, attorneys, States Attorney staff members, and members of the public. She has received numerous compliments from the State's Attorney's Office for her professionalism in both her duties as the Evidence Custodian, as well as her professionalism and preparedness for testimony and court presentation when required.

April, Officer Craig Russell. Officer Russell joined the department on September 19th, 2011. He graduated from Basic Police Training at the Illinois State Police Academy. In 2013, he was selected as a K-9 Officer. Craig is a Crisis Intervention Team Officer and trained in Project Lifesaver.

Officer Russell was nominated for this award due to his actions on February 27th. At approximately 2220 hours that date, Officer Russell observed a passenger car traveling westbound on Spruce Street at a high rate of speed before disobeying the yield sign at 7th and Spruce. He initiated a traffic stop on the vehicle and made contact with the male driver. Officer Russell's canine, Dioji, indicated a positive alert for the odor of narcotics on the front passenger door on the vehicle. Searches of the vehicle occupants and of the vehicle were then conducted. During a search of the vehicle, officers located a loaded semi-automatic Sterling Arms .22 caliber handgun under the front driver's seat and 24.5 grams of green plant material inside of a clear knotted plastic bag on the passenger floorboard. The subject was taken into custody and later lodged in the Adams County Jail on charges of Aggravated Unlawful Use of a Weapon, Manufacture/Delivery of Cannabis 10-30 grams, Possession of Ammunition without a FOID card, as well as the original traffic charge of Failure to Yield. Officer Russell has fully embraced the duties of a K-9 Officer in a very short time. Both he and Dioji have proven themselves to be a great team and valuable assets to the Quincy Police Department.

May, Officer Chris Mueller. Officer Mueller joined the department on October 10, 2006, graduating from Basic Police Training on January 11th, 2007. He was selected as Employee of the Month on two other occasions, as well as 2014 Employee of the Year (along with three other officers). Officer Mueller received an award from IDOT in 2012 in recognition of having made 25 DUI arrests. He is a breath alcohol operator.

Officer Mueller was nominated for this award due to his great work on April 12, 2015. On that date Officer Mueller responded to Sam's Club (700 N. 54th Street) for a report of a subject at the store who was suspected of 13 prior retail thefts over the past 4 months. Upon arrival, he was told by an employee that the suspect was at the self-checkout lane and was repeatedly scanning low priced items while not scanning multiple other items in his cart. Officer Mueller stopped the suspect as he exited the store and asked to check his sales receipt. The suspect's receipt showed that he had purchased \$34.47 in merchandise, when he actually had \$963.28 in merchandise in his cart. Officer Muller arrested the male and charged him with Felony Retail Theft (a Class 3 felony); the estimated total theft amount from 2015 was \$3,023.81. Apparently, the suspect had been stealing large amounts of Gillette razor refills and selling them on E-Bay as part of his retail theft scheme. Officer Mueller put a lot of work into this case and did a wonderful job.

June, Officer Terry Hagan. Officer Hagan joined the Quincy Police Department on September 19, 2011. He graduated from Basic Police Training at the Illinois State Police training academy

in Springfield, IL. Officer Hagan was selected as Employee of the Month on two other occasions. In addition, he received a Letter of Commendation due to his heroic actions at a house fire. Currently assigned to patrol, Officer Hagan is a Motor Officer, a Crisis Intervention Team officer, and a member of the Emergency Response Team.

Officer Hagan was nominated for this award due to his actions on April 29, 2015. At approximately 2:10 a.m. that date, Officer Hagan conducted a traffic stop on a black Mitsubishi for driving without headlights. Officer Hagan recognized the occupants of the vehicle as being previously involved in drug activity and requested a K9 sniff of the vehicle. The K9 alerted on the vehicle and a subsequent search of the vehicle revealed approximately seven grams of ICE methamphetamine, digital scales, baggies, and a loaded 9mm pistol with additional loaded magazines. The front seat passenger, whose wallet was found with the drugs, was arrested for Possession with Intent to Distribute Methamphetamine and Unlawful Use of a Weapon. The subject was lodged in the Adams County Jail. On May 5, 2015, Officer Hagan traveled to Springfield, IL and testified in front of a Federal Grand Jury, which resulted in the indictment of the subject on federal weapons and drug charges.

Officer Hagan is an extremely busy officer, and usually leads his shift in calls for service received. Besides handling numerous calls, Officer Hagan still finds times to be proactive and conduct multiple traffic stops. Due to Officer Hagan's hard work, he was able to take another meth dealer and firearm off of the streets of Quincy. Additionally, due to Officer Hagan's dedication and willingness to testify in federal court on his off day, the defendant will surely be dealt a more severe and just punishment for his crimes.

July, Officer Kris Billingsley. Officer Billingsley joined the Quincy Police Department on September 20, 2004. He graduated from the Police Corps in 2004 and has a Bachelor's Degree from Western Illinois University. During his tenure with the department, he has been recognized numerous times for his caliber of work. In addition to being a Patrol Officer, he is a Motor Officer, a member of the Emergency Response Team, and a Crisis Intervention Team Officer.

Officer Billingsley was nominated for this award due to his actions on January 6th. Officer Billingsley initiated a stolen vehicle investigation with an employee of SGL Motors. At the time, SGL Motors employees could provide no suspect information what so ever. Officer Billingsley began contacting area businesses in an attempt to generate leads. Officer Billingsley located footwear evidence and surveillance video that assisted him with putting the initial pieces of the puzzle together. Officer Billingsley discovered that the suspect went to the Shell gas station and borrowed a set of jumper cables while in the process of stealing the vehicle, a maroon 2005 Chrysler Pacifica minivan. Officer Billingsley obtained surveillance video from the gas station, along with the jumper cables used by the suspect.

As the investigation progressed, Officer Billingsley worked with the Marion County Sheriff's Dept on a drive off that involved the stolen Chrysler Pacifica that had license plates on it that had been stolen from a vehicle at the Quincy Medical Group. Officer Billingsley decided to utilize Quincy Regional Crime Stoppers to disseminate the video footage of the suspect. Shortly thereafter he was able to develop a possible suspect. After analysis at the State Police Crime Lab, the suspect's fingerprints were found on the jumper cables used by the suspect the day of the theft. The vehicle, which was eventually recovered in Chicago, had a black remote inside of it which also had a fingerprint on it belonging to the same subject.

Officer Billingsley has continued to work with law enforcement agencies in the Chicago area. Additional video of the subject, who had committed additional crimes, was obtained and is wearing the same

clothing he had on the day of the theft. At this point a warrant has been issued for the subject, who is currently in custody in Cook County.

August, Officer Craig Hufford. Officer Hufford was nominated for this award due to his proactive work resulting in a felony drug arrest from a traffic stop he made on July 12, 2015. On that date he stopped a pickup truck for a stop line violation at 6th and Jefferson. After making contact with the occupants of the vehicle, he recognized them as individuals who have been heavily involved in the manufacture of methamphetamine and the use of other illegal drugs as well. One of the individuals was learned to be an active parolee. Officer Hufford had him step out of the vehicle to conduct a parolee search of his person. As the individual got out of the vehicle, a large baggie containing a crystalline substance fell onto the ground. The subject was immediately taken into custody and the baggie was later examined and found to contain an ounce (28.6 grams) of "Ice" crystal methamphetamine. The subject had over \$400 in cash and 3 cell phones on his person, which were all seized as part of Officer Hufford's drug investigation. He was subsequently lodged on a charge of Unlawful Delivery of Methamphetamine 15-100 Grams, which is a Class X Felony punishable by a Mandatory sentence of 6-30 years in the Department of Corrections. A Parole Violation warrant was also obtained. It is this type of proactive police work that helps to make a difference on our streets. This typifies the calibre of work conducted by Officer Hufford, making him a very valuable employee.

September, Officer Ryan Witt. Officer Witt joined the department on September 20, 2004. He is currently a Street Crimes Officer working the night shift. In addition to his normal duties, Officer Witt is a recruiting officer, field training officer, less lethal munitions instructor, a member of the ILEAS Region 6 Mobile Field Force Team, and a Crisis Intervention Team officer. During his tenure with the department, Officer Witt has been selected as Employee of the Month on four occasions. He earned recognitions as Patrol Officer of the Year in both 2010 and 2011.

Officer Witt was nominated for this award for his work facilitating the arrest of an armed and dangerous individual. As a normal course, he maintains a good working relationship with the Street Crime Unit at Hannibal PD. When Officer Witt learned the suspect of the August 25, 2015 shooting was a well known resident of Hannibal, he immediately called the HPD SCU officers and asked them if they had any information about the subject that would be helpful. Those officers knew right away of a Confidential Source (CS) that could help. Arrangements were made to have this CS brought to Quincy where they provided information that led to an expedient arrest.

Officer Witt, like all good police officers, knows that police work is not done in a vacuum. The criminals that officers deal with on the streets who commit crimes such as this shooting operate in various jurisdictions. In addition to everything else that Officer Witt brings to the table, his continued working relationships with other agencies proved very valuable in this case.

October, Detective Adam Gibson and Officer Craig Russell. Detective Gibson and Officer Russell were nominated for this recognition due to their outstanding work in arresting three violent juvenile offenders with gang connections. The youthful offenders were in town after a crime spree in Davenport, IA, and were taken off the street before they could victimize the citizens of Quincy.

On September 21, 2015, the Quincy Police Department received information from the Davenport (IA) Police Department regarding two violent juvenile male offenders, who were wanted in Davenport for Robbery and weapon offenses. After receiving the information, Officer Russell spotted one of the suspects in Quincy, but was unable to apprehend him at the time. Officer Russell looked up both suspects on Facebook, and found pictures of them at a house in Quincy. Officer Russell then began developing a strategy to locate the suspects the next night.

On September 22nd Officer Russell contacted Detective Gibson, who was working the Proactive detail on the northwest end of town, and briefed him on the Davenport fugitives. After locating the suspects at 6th

and Cherry, Detective Gibson and Officer Russell made contact with them in the 500 block of Cherry Street. Additional officers responded to the area, as these suspects had been reported as armed and dangerous. The officers were able to identify the two suspects who were each wanted on warrants for Robbery and Intimidation with a Dangerous Weapon. During the encounter with the two, one of their friends then dropped a baggie containing a white chunky substance onto the street. That subject was identified and was also from Davenport, IA. The substance in the baggie turned out to be 4.7 grams of crack cocaine packaged for sale. All three juveniles were taken into custody and ultimately lodged in the Adams County Juvenile Detention Center. A set of car keys was located on one of them. Officers then checked the area using the key fob remote and located a 2013 Ford registered to an address in Bettendorf, IA parked at 6th and Lind. The vehicle had been reported stolen the previous day following a crime spree where numerous vehicles had been stolen. The suspects and their crew have been implicated in the crime wave in both the Davenport and Bettendorf areas.

November, Sergeant Mark Folkenroth. Sergeant Folkenroth joined the department on February 4, 1993. In 1998, he transferred to a street crimes unit officer. In 2002, he was a graduate of police staff and command. On May 30th, he was promoted to the rank of sergeant. In 2003, he transferred to street crimes sergeant. In 2003, he was selected as Employee of the Month. In 2006, he was transferred to patrol sergeant. He is the department's special events coordinator. In 2010, he received the Seat Belt Enforcement Award at the department meeting. In 2014, he received the 2013 speeding award at the department meeting. He was a member of the Emergency Response Team for 18 years serving as operator, team leader, and commander.

Sergeant Folkenroth was nominated due to his actions on October 3rd. He responded to a report of an unconscious man at the Golden Corral construction site located at 3827 Broadway. When he arrived, Sgt. Folkenroth found a co-worker doing chest compressions on a 58 year old. Sergeant Folkenroth had the co-worker continue with treatment while he readied AED. Utilizing the AED, Sergeant Folkenroth shocked Mr. Green once. He was eventually turned over to EMS and transported to Blessing. It was later reported by Blessing Hospital that the male had survived and was recovering in the intensive care unit. The ER doctor said had it not been for the quick response with the AED, the subject may not have survived the incident.

December, Sergeant Duane Long. On Thursday, November 12th, 2015, the police received a call from a citizen about a man with a gun walking at 3rd and Lind. Sgt. Duane Long was in the area when the call came out and located the subject walking south on 3rd Street. The caller had reported that the man was bleeding from one of his hands and had a gun tucked into his waistband. Sgt. Long got out with the subject who was heavily intoxicated and had a large cut on his right hand. The subject then moved his left hand to his waist and pulled out a .357 revolver and began to bring it around towards Sgt. Long. Sgt. Long was then able to take the gun away from the subject and proned him out at gunpoint on the pavement. The male subject was taken into custody and transported to Blessing Hospital for the injury to his hand. The subject was later transported to the Adams County Jail and lodged on charges of Aggravated Unlawful Use of a Weapon and Unlawful Possession of a Weapon by a Felon.

6.3. Letters of Commendation/Citations

6.10. Remembering Fallen Heroes

Police Memorial Ceremony
2015

Remembering those who made the ultimate Sacrifice

Police Officer's Prayer

Help me, Lord, to be a good
and capable police officer.
Give me the courage to face the unknown
and to act on my convictions.
Give me the wisdom to remain above temptations
and frustrations I will meet.
Give me the dedication to do the best job I can do
and give me your protection, Lord, so that I can
return home from each day safely.
