ADDENDUM #1

TO: Registered Vendors
FROM: Mary-Ann Ervin, Purchasing Agent
SUBJECT: RFP for the purchase of a Bucket Truck
DATE: 05/21/2019

The City of Quincy is sending this Addendum #1 to all registered vendors for the Request for Proposal regarding the purchase of a Bucket Truck.

The City of Quincy would like to clarify the following to all vendors regarding the service body, outrigger locations and monitor/screen location for the backup camera:

Specifications – Section 3.1 M2 – Page 16

The Chassis (Section 3.1) shall include an in-dash monitor/screen wired to the back-up camera.

Specifications - Section 3.2 – Body – Page 16

The driver's side of the service body Shall be configured with the front outrigger in the first vertical compartment behind the cab. This compartment shall also contain three (3) small adjustable shelves. The second and fourth compartments shall be vertical and contain three (3) full length adjustable shelves. The third compartment shall be horizontal and contain one (1) shelf with dividers.

Specifications – Section 3.2 H – Page 16

The passenger side of the service body Shall be configured with the front outrigger in the first vertical compartment behind the cab. This compartment shall also contain three (3) small adjustable shelves. The second compartment shall be the location of the side access with underbody step and grab handle (Section 3.2.H). The third compartment shall be horizontal and contain one (1) shelf with dividers. The fourth compartment shall be vertical and contain three (3) full length adjustable shelves.

Specifications – Section 3.6 M2 – Page 17

The two (2) rear outriggers (Section 3.6.M.2) shall be located in the tail shelf.

The due date for the bid has not changed and will be due on Thursday, May 30, 2019 at 4:00 pm.

This Addendum #1 dated 05/21/19 shall become a part of the contract documents.
