### **Detective Kevin Taute**

On 4/16/19, a female reported injuries, including bruising to her face. On 5/19/19, the female reported multiple head injuries which lead her to be hospitalized. Ultimately, after being fearful of doing so, she indicated who was responsible for her injuries. On 7/25/19, the female suffered bruises, abrasions and stab wounds at the hands of this male subject. He was arrested and charged with these crimes. Ultimately the female victim passed away while in the company of the male. It appeared the cases against the male were headed for dismissal. Detective Taute, along with others, conducted numerous follow-up interviews and collected evidence to corroborate these cases to the point where they could be successfully tried without a living victim, a daunting task. Ultimately, a very dangerous person, whose violent tendencies were rapidly escalating, took a plea for 15 years in the Department of Corrections. Detective Taute's work was recognized by an Assistant State's Attorney, who indicated that without the amount of evidence generated, the cases would have been dismissed. This case is just another example of Detective Taute's continued hard work and persistence.
