### **Gail Newell**

Gail was the vital link to the successful move and transition into our new police facility. Gail spent numerous hours and days prior to moving day preparing, labeling items and organizing the move. She directed the moving company where to take each item from the old facility to the new one. During all this time, she still had to move her own office, the office supplies, and all of the officer's equipment. Gail was also at the new Quincy Police Department over the weekend after the move finishing unpacking and organizing a large volume of equipment and storage items. Gail helped make the move a success. She is a trustworthy and hard working employee.
